Dear Mr. Goddard,

**Conversion of Barns at Yew Tree Farm, Occupation Road, Nailstone, Nuneaton for Mr J Dawson and Mrs D B Dawson.**

This is to confirm that I have inspected the barns on 21 May 2010 and have found that the observations, discussions, recommendations and conclusions in my original report reference 3134-R, dated 16 April 2007, remain valid. There has been no significant alteration in the condition of the barns in the intervening three years.

Yours sincerely

P. Naldrett
