Importance: High

Afternoon Satty,

Following our transport consultant's correspondence with National Highways (Russell Gray), we are now pleased to submit the following enclosed additional documents which have now been agreed with Russell:

1. Stage 1 Road Safety Audit/Designers Response.
2. Construction Management Plan.  [22-240-07A Construction Management Plan.pdf](#)

Russell Gray will be providing National Highway's formal response to the LPA early next week if you please now formally re-consult LCC and WCC Highways (they were also at a meeting with Russell earlier this week to discuss the proposals where no positively further issues were raised).

We'd be extremely grateful for your confirmation by return.

Kind regards,
Chloe
