Dear Sir or Madam,

Modifications to approved scheme 10/00800/ FUL

With reference to the project known as the MIRA Customer Building we wish to make some changes to the design and would like these to be considered as non material minor amendments.

We enclose a copy of our drawings (P)002_B, 003_B and 004_B with the changes 'bubbled' and listed. For ease of comparison we also enclose the original approved version of each of these drawings. We would be grateful for your decision in this matter and advice as to how to proceed from here.

Yours sincerely

Jim Rivers
