

PARKING PROVISION AT
5a, ASHFORD ROAD, HINCKLEY LE10 0JL

The applicant wishes extend the existing detached dwelling house with a single storey ground floor front extension to extend the existing ground floor study and provide a covered porch/entrance hall.

This would not increase the occupancy of the dwelling but provide a more flexible living space for a growing family.

The property can accommodate up to two off road parking spaces on the front hard standing parking area, plus additional space within the garage for motorcars and push bikes.
