Dear Sirs,

Re; Extension to dwelling,
39, Jacqueline Road, Markfield.

I would refer to the above-mentioned application for Planning Permission and your e-mail of the 15th June.

As requested please find enclosed a paper copy of the plan of the proposal. The plan has been amended to incorporate the Velux roof window on the existing and proposed floor plans and the payment of £150.00 was sent under separate cover.

I trust that you will now be able to register the application and I look forward to receiving the necessary Planning Permission in due course. In the meantime, should you require any further details, please do not hesitate to contact me.

Yours Faithfully

DAVID BROOKS
