NOTES

All dimensions are to be checked on site by the contractor before any work is commenced.

In the case of apparent discrepancy refer immediately to surveyors

The accuracy and completeness of the survey is dependent on the original brief

The type and extent of information and the survey accuracy will have been matched to the client's original requirements.

All later users must refer to Greenhatch Group Ltd before relying on this survey.

The detail of this survey was established for a brief, requiring a hardcopy at a scale of 1:100. It is therefore suitable for plotting or planning/designing at this scale or smaller.
