Subject: RE: Planning Application Consultation for Leicestershire Police ref 23/00673/OUT

Hi Christopher,

I have reviewed the reply I gave previously in respect to the 22/01037/OUT application and the change of access from Sapcote Road to a traffic island on Aston Flamville Road will not impact on the site security of the development. I have sent a message to our Highways Officer, who is Mr Graham Compton to advise him of the change to the application and if he has any concerns I'm sure he will contact you on his return from leave. Also if the plan does pass through the planning process successfully, could you advise me should the opportunity for a S106 application be considered as I did make an expression of interest on my original response.

Kind Regards

Steve
