Part I - Particulars of Application

Date of Application	Application No.
4 May 2023	23/00445/OUT

Particulars and location of development :

Outline Application for proposed erection of 4 dwellinghouses with associated garages (All matters reserved except for access)

Lyndale Lindridge Lane Desford Leicester Leicestershire

Part II - Particulars of decision

In dealing with the application, through ongoing negotiation the local planning authority have worked with the applicant in a positive and proactive manner by offering a pre-application advice service and by seeking solutions to problems arising in relation to dealing with the planning application and this has resulted in the approval of the application. The Local Planning Authority has therefore acted pro-actively to secure a sustainable form of development in line with the requirements of the National Planning Policy Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

In pursuance of its powers under the Town and Country Planning Act 1990, the Hinckley and Bosworth Borough Council grants permission for the carrying out of the development referred to in Part I hereof in accordance with the application form and plans submitted, subject to the following conditions :-

1. Application for the approval of reserved matters shall be made within three years from the date of this permission and the development shall be begun not later than two years from the date of approval of the last of the reserved matters to be approved.

Reason: To comply with the requirements of Section 92 of the Town and Country Planning Act 1990 as amended by the Planning and Compulsory Purchase Act 2004.

2. No development shall be commenced until plans and particulars of "the reserved matters" referred to in the above conditions relating to the:-
 - a) Appearance of the development including proposed materials and finishes
 - b) Landscaping of the site including hard boundary treatments and soft measures and details of boundary planting to reinforce the existing landscaping at the site edges
 - c) Layout of the site including the location of electric vehicle charging points, the way in which buildings, routes and open spaces are provided and the relationship of these buildings and spaces outside the development.

IMPORTANT - PLEASE READ THE NOTES AT THE END OF THIS DOCUMENT

d) Scale of each building proposed in relation to its surroundings

have been submitted to and approved, in writing, by the Local Planning Authority. The development shall be carried out in accordance with the approved details.

Reason: To ensure a satisfactory form of development in accordance with Policies DM1 and DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and Policy H7 of the Desford Neighbourhood Plan (2021).

3. Details of the existing and proposed ground levels of the site shall be submitted with the reserved matters application. The development shall then be implemented in accordance with these details.

Reason: To ensure that the development has a satisfactory appearance and in the interests of visual amenity in accordance with Policy DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and Policy H7 of the Desford Neighbourhood Plan (2021).

4. No part of the development hereby permitted shall be occupied until such time as the access arrangements shown on Ardent Consulting Engineers drawing number 2202690-001 have been implemented in full.

Reason: To ensure that vehicles entering and leaving the site may pass each other clear of the highway, in a slow and controlled manner, in the interests of general highway safety and in accordance with the National Planning Policy Framework (2021).

5. No part of the development hereby permitted shall be occupied until such time as vehicular visibility splays of 84 metres by 2.4 metres to the north and 75 metres by 2.4 metres to the south have been provided at the site access. These shall thereafter be permanently maintained with nothing within those splays higher than 0.6 metres above the level of the adjacent footway/verge/highway.

Reason: To afford adequate visibility at the access to cater for the expected volume of traffic joining the existing highway network, in the interests of general highway safety, and in accordance with the National Planning Policy Framework (2021).

6. No part of the development shall be occupied until such time as the offsite footway works shown on Ardent Consulting Engineers drawing number 2202690-001 have been implemented in full.

Reason: To mitigate the impact of the development, in the general interests of highway safety and in accordance with the National Planning Policy Framework (2021).

7. No development (including vegetation clearance) shall take place until an ecological mitigation, compensation and enhancement strategy has been submitted to and approved in writing by the LPA. Any mitigation, compensation or enhancement measures need to be clearly shown on all relevant submitted plans/elevations. All works are to proceed strictly in accordance with the approved scheme.

Reason: In order to provide a net gain in biodiversity in accordance with Policy DM6 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016), Policy ENV3 of the Desford Neighbourhood Plan (2021), and the requirements of the NPPF (2021).

8. No development (including vegetation clearance) shall commence until a detailed scheme of landscaping and measures for the protection of trees to be retained during the course of development has been submitted to and approved in writing by the Local Planning Authority. This shall include the following items;

- i) A site specific tree protection plan;
- iii) A tree survey of the existing protected trees;
- iv) An arboricultural implications assessment

Thereafter, none of the trees or hedges indicated to be retained shall be cut down, uprooted or destroyed, nor shall be topped or lopped other than in accordance with the approved plans, without the written approval of the Local Planning Authority. If any of the trees or hedges to be retained are removed, uprooted or destroyed or dies, a replacement shall be planted at the same place and that tree or hedge shall be of such size and species, and shall be planted at such time, as maybe specified in writing by the Local Planning Authority.

Reason: To ensure that adequate measures are taken to preserve trees and hedges and their root

systems whilst construction work is progressing on site and that the existing trees on the site are retained and protected in accordance with Policy DM6 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016), Policy ENV3, H6 and H7 of the Desford Neighbourhood Plan (2021), and paragraph 170 of the National Planning Policy Framework (2021).

9. No development shall take place until a scheme makes adequate provision for waste and recycling storage of containers and collection across the site which has been submitted to and approved in writing to the Local Planning authority. The details should address accessibility to storage facilities and confirm adequate space is provided at the adopted highway boundary to store and service wheeled containers.

Reason: To protect the amenity of neighbours and the character of the area in accordance with Policy DM10 of the Site Allocations and Development Management Policies Development Plan Document (2016).

10. Development shall not begin until surface water drainage details, incorporating sustainable drainage principles (SuDS) have been submitted to and approved by the Local Planning Authority (LPA), and the scheme shall subsequently be implemented in accordance with the approved details before the development is completed.

Reason: To reduce the possibility of surface water from the site being deposited in the highway causing dangers to road users in accordance with Policy DM17 of the adopted Site Allocations and Development Management Policies DPD (2016) and Paragraph 110 and 112 of the National Planning Policy Framework (2021).

11. No demolition/development shall take place/commence until the necessary programme of archaeological work has been completed. The programme will commence with an initial phase of trial trenching to inform a final archaeological mitigation scheme. Each stage will be completed in accordance with a written scheme of investigation (WSI), which has been [submitted to and] approved by the local planning authority in writing. For land that is included within the WSI, no demolition/development shall take place other than in accordance with the agreed mitigation WSI, which shall include the statement of significance and research objectives, and

- o The programme and methodology of site investigation and recording and the nomination of a competent person(s) or organisation to undertake the agreed works

- o The programme for post-investigation assessment and subsequent analysis, publication & dissemination and deposition of resulting material. This part of the condition shall not be discharged until these elements have been fulfilled in accordance with the programme set out in the WSI.

Reason: To ensure satisfactory archaeological investigation, recording, dissemination and archiving in accordance with Policies DM11, DM12 and DM13 of the adopted Site Allocations Development Management Policies Development Plan Document (2016).

12. Notwithstanding the provisions of Article 3, Schedule 2, Part 1 Classes A to E of the Town and Country Planning (General Permitted Development) (England) Order 2015 (or any Order revoking and re-enacting that Order with or without modification), no enlargement, improvement or other alteration to the dwelling shall be carried out unless planning permission for such development has been granted by the Local Planning Authority.

Reason: To safeguard the amenities of neighbouring properties in accordance with Policy DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016).

NOTES TO APPLICANT :-

1. The approved development may require Building Regulations Approval, for further information please contact the Building Control team via e-mail at buildingcontrol@hinckley-bosworth.gov.uk or call 01455 238141.
2. Planning Permission does not give you approval to work on the public highway. To carry out off-site works associated with this planning permission, separate approval must first be obtained from Leicestershire County Council as Local Highway Authority. This will take the form of a major section 184 permit/section 278 agreement. It is strongly recommended that you make contact with

Leicestershire County Council at the earliest opportunity to allow time for the process to be completed. The Local Highway Authority reserve the right to charge commuted sums in respect of ongoing maintenance where the item in question is above and beyond what is required for the safe and satisfactory functioning of the highway. For further information please refer to the Leicestershire Highway Design Guide which is available at <https://resources.leicestershire.gov.uk/lhdg>.

3. Nesting birds are protected from disturbance under the Wildlife & Countryside Act 1981 (as amended); therefore all vegetation removal should take place outside the breeding season (March - August inclusive) unless carefully checked beforehand by a suitably qualified person.
4. The Written Scheme of Investigation (WSI) must be prepared by an archaeological contractor acceptable to the Planning Authority. To demonstrate that the implementation of this written scheme of investigation has been secured the applicant must provide a signed contract or similar legal agreement between themselves and their approved archaeological contractor.

Christopher Brown MRTPI
Planning Manager (Development Management)

Date : 01 August 2023

NOTES

1. It will be most helpful if the application number shown overleaf is quoted in all correspondence.
2. If you consider that this decision has been made invalidly through the Council failing to follow a procedure correctly, not having the legal power to make the decision in the way it did or through its decision being so unreasonable as no reasonable local authority would make the same decision based on the same facts, then you may enter a claim for judicial review to quash the decision. In order to proceed with a claim for judicial review an initial application for permission will need to be made to the Administrative Court, this application is required to be made "promptly and in any event within three months of the decision". The initial permission application will decide if you have an arguable case, whether you are sufficiently materially affected by the decision to bring the claim. If you are granted permission to bring the claim it will proceed to a full hearing at the Administrative Court. Although there is no requirement for you to do so it is highly recommended that you seek independent legal advice before bringing forward a claim for Judicial Review.
3. If you are aggrieved by the decision of the Local Planning Authority to grant permission subject to conditions, you may appeal to the Secretary of State for the Environment in accordance with Section 78 of the Town and Country Planning Act 1990 within six months (see para 2a below) of the date of this notice. (Appeals must be made on a form which is obtainable from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, tel. 0303 444 5000 or online at <https://www.gov.uk/appeal-planning-decision>). You must use a Planning Appeal Form when making your appeal. If requesting forms from the Planning Inspectorate, please state the appeal form you require. The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that the permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements as set out in Section 78 of the Town and Country Planning Act 1990, to the provisions of the development order, and to the directions given under the order. He does not in practice refuse to entertain appeals solely because the decision by the Local Planning Authority was based on a direction given by him. Appeals- new time rules. Appeals relating to applications made to the Local Planning Authority on, or after, 5th September 2003 must be made within six months of the date of this notice.
4. If an enforcement notice is served relating to the same or substantially the same land and development as in your application and if you want to appeal against your local planning authority's decision on your application then, you must do so in accordance with the guidance found using the following link <https://www.gov.uk/appeal-enforcement-notice>.
5. If permission to develop land is granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment, and the owner of the land claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
6. In certain circumstances, a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
7. This permission covers only consent under the Town and Country Planning Acts and does not give permission to demolish a Listed Building, for which separate consent is required. Amongst other things the consent of the Council of the district in which the land is situated may be required under the Building Regulations and if the proposals affect land within the limits of the highway (that is between the highway fences or hedges) the separate consent of the Highway Authority may also be required. Steps to obtain the necessary further consents should be taken before proceeding with the development.

SHOPS, OFFICES, FACTORIES, EDUCATIONAL BUILDINGS & BUILDINGS TO WHICH THE PUBLIC ARE TO BE ADMITTED : ACCESS AND PROVISION FOR THE DISABLED PERSONS

- 1 The Local Planning Authority is required to bring to your attention the requirements of the Disabled Persons 1981, Building Regulations 1991 "Access and facilities for Disabled People" document M and the Chronically Sick & Disabled Act 1970 (as amended 1976) (Sections 4.7.8 and 8A) requiring the provision of access facilities, car parking and toilets for the disabled and the provision of signing indicating what provision has been made for disabled persons within the building. Your attention is also drawn to the Code of Practice B.S 5619 "Design of Housing for the convenience of Disabled People", 1978 and Code of Practice, B.S. 5810 : 1979, "Access for the Disabled to buildings" available from the British Standards Institution, 2 Park Street, London W1A 2BS. (Tel 071-629-9000) and (in so far as educational buildings are concerned), to Design Note 18 "Access for the Physically Disabled to Educational Buildings."
- 2 The buildings to which these requirements apply are :-
 - a) Buildings to which the public are to be admitted to which Section 4 of the Chronically Sick & Disabled Act 1970 (as amended 1976) applies.
 - b) Offices, Shops & Railway Premises as defined in the Offices, Shops & Railway Premises Act 1963 or premises deemed to fall within the Act.
 - c) Factories as defined by Section 175 of the Factories Act 1961.
Educational Buildings as defined by Section 29B of the Disabled Persons Act 1981.

PPNOTES (02/07/2014)

Hinckley & Bosworth
Borough Council

Start Notice

Important Information – Please keep this with your decision notice

Please read the above decision notice carefully and ensure that you understand and comply with the requirements of any planning conditions imposed.

If you require any further information about why a particular planning condition has been imposed or in respect of what information is needed to discharge your condition please contact the case officer who will be happy to advise of the requirements and information required.

We carry out a programme of site monitoring to check compliance with conditions in order to proactively manage the development and to ensure development is carried out in accordance with the planning permission granted.

Please ensure that any application for the discharge of pre-commencement conditions are carried out in a timely manner as this may take up to 8 weeks depending on the requirements of the condition. Please also be aware there is a charge to discharge conditions per request which means you can discharge conditions individually or group details together as a single request to discharge multiple planning conditions. The fee for discharging these pre-commence conditions, can be found on the [planning portal](#).

We would be grateful if you could email the development address and application reference number with your contact details and the intended start date by email to planning@hinckley-bosworth.gov.uk or complete the form on the reverse.
