Discharge of Conditions

Dear Robert

On behalf of our client (MIRA Ltd) I would like to confirm the following Travel Plan implementation measures:

The Travel Plan Coordinator (TPC) will be appointed upon implementation of the planning consent and that role, coupled with any funding requirements to deliver the measures and incentives defined within the Travel Plan, will be in place for a period of at least 5 years. The role of the TPC will form part of the continual monitoring and review process. If, as anticipated, the MIRA Technology Park proposals are brought forward during the first 5 years then the role will be subsumed into the TPC role for the wider development. Otherwise the TPC for the Customer Centre will remain in place up to the 5th anniversary of its commencement or until such time as the targets set within the Travel Plan are reached.

I hope you find this statement satisfactory, although if you require any further clarification please do not hesitate to contact me.

Yours sincerely

Szymon Mieszkowski
