Comments Details

Dear Tim,

Thank you for consulting the National Forest Company (NFC) on the above reserved matters application (layout, scale, appearance, landscaping and access other than vehicular access) of outline planning permission (ref: 22/00527/OUT) for residential development of 50 dwellings.

Comments:

The landscape masterplan (Rev A, dated 23/08/2024) does not show complaint National Forest planting. The area which the applicant proposes as National Forest planting is predominately wildflower meadow, small areas of shrub planting, limited individual tree planting and a drainage pond. The National Forest planting offer should include woodland planting and significant tree planting. We would ask that you refer to our comments at the outline stage.

I am happy to discuss this response if that would be helpful.

Kind Regards
Eilish
