Immediately prior to commencing onsite enabling or construction works, an update badger walkover will be completed by a competent and experienced ecologist to update survey effort completed during 2021 and 2022. This is due to the inherent nature of badgers changing sett locations and creating new ones in short periods of time. A report detailing the outcome of the updated walkover should be provided to the LPA Ecology department for discharge.

Reason: In order to protect the protected wildlife species and their habitats that are known to exist on site in accordance with Policy DM6 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016)
