Comments Details

Thank you for your consultation in respect of the above planning application. The County Council has considered the application, having regard to the Development Plan, National Planning Policy Guidance and other relevant material considerations. In this particular instance, the County Council, as Minerals and Waste Planning Authority (MWPA), comments as follows;

Comments: The site lies within a Mineral Safeguarding Area for Igneous rock; however, the proposed development relates to an alteration / extension of an existing building and falls under section (b) of development exempt from Mineral Safeguarding, as set out in Table 4 on pg. 37 of the Leicestershire Minerals & Waste Local Plan.

As such, the MWPA does not raise any objections or has any

comments to make from a mineral and waste safeguarding perspective.

Kind regards
