Dear Sirs

09/00257/COU Change of use at Odstone Hall

The Parish Council has no opposition in principle to the change of use as proposed. However we are informed that the Hall is still being advertised and promoted as a wedding venue and we are concerned that due to the proximity of neighbouring houses there is a potential for noise nuisance and highways issues if large wedding parties take place there. We would request that if permission is granted conditions are imposed to address these concerns.

May I also draw your attention to the date of your letter, 27th April, and the date of the Planning Committee 5th May. This has given us very short time to comment, and indeed if I had been away from home for a few days we might have been deprived of the opportunity to comment.

Thank you.

Yours sincerely
