Hi David,

24/00601/FUL | Erection of five new dwellings to the rear of Grove House, Grove Road, Burbage, Leicestershire (retrospective) | Grove House Grove Road Burbage Hinckley

Following my previous comments we have received confirmation from the archaeological consultant who carried out the archaeological investigations (trial trenching and historic building recording) that the project archives for the above site has now been deposited. We would therefore recommend that no further archaeological involvement is required and no archaeological conditions will be necessary for the current planning application.

Should you have any further queries please do not hesitate to contact me.

Yours sincerely,

William
