Hi Matt,

Thanks for your email.

Yes, I am happy to withdraw my holding objection as these pre-commencement conditions appear to be the only ecological constraints.

Kind Regards,

Hi Dale,

I hope you had a good bank holiday weekend.

I am just picking up on your comments on the application above, which I have attached for ease.

Conditions 26 and 27 will have to be discharged prior to commencement as part of the master permission for this site (14/00661/CONDIT). We do not therefore require the updated badger and GCN surveys for this Reserved Matters application as they will be addressed through a separate discharge of conditions application.

On this basis would you be able to withdraw your holding objection?

Many thanks,

Matt
