

Application on behalf of: Meadow View Cottage, Goatham Lane, Osbaston, CV13 0DR

Application by: Ryan Tysoe, 17 Newbold Road, Desford, Leicester, Leicestershire, LE9 9GT

Location of tree/s: Meadow View Cottage, Goatham Lane, Osbaston, CV13 0DR

Tree/s Owned by: Trees are owned by the residents of the property.

What we are applying for: We are applying to fell a Silver Birch (*Betula Pendula*) between the property and double garage

T.P.O Details: N/A I understand there isn't a TPO in place however the tree is in a conservation area.

Identifying trees: The tree is identified on my supplied plan.

We are applying to remove the tree as it has become too large for the area of which it was planted. The homeowners are worried about the damage it could cause to both the house and double garage.

Additional information: I have visited the site and I am in agreement with the homeowners that the tree has become too large for the area it is in. I myself have a level 3 in countryside management as well as numerous Arboricultural works qualifications including Cs 38/39. Having worked in the industry for a number of years I feel the proposed works are necessary and won't impact the area with the tree having only been planted within the last 20 years.
