

The Cottage, Elvesthorpe Lane, Earl Shilton

Materials: -

The proposal is to demolish the existing cottage and construct a new 3 bed traditional detached dwelling house. Cavity wall construction with facing brick on outer leaf, We intend to use the original bricks and add in a new brick as previously mentioned (reclamation cheshire wire cut, solid not tumbled) this is the closest match available.

Painswick Green UPVC windows and Composite Doors also in Painswick Green. Window sills will be sandstone as per original building.

Roof configuration (up and over) pitch roof with Ashmore charcoal pan tiles
