Hi Tim,

I can confirm that given we could only secure contributions for the part of the development in Leicestershire, we do not require and could not justify the highway contributions. This would effectively only be for the petrol filling station, which we would not usually require packs, passes and a Travel Plan.

Kind regards,

Hi Ben

Further to our recent discussion I attach the Rugby Unilateral Undertaking – you'll see that it refers to a travel plan but not to any other contributions

If the County is no longer considers that travel packs and buss passes are no longer then required then I'd need this confirmed please and our application will have to go back to Committee. My deadline is next week so if you could confirm asap that would be good. I attach an email I received earlier today from the agent along with my response

Many thanks

Tim
