Subject: FAO Richard Wright 09/00102/FUL- landscaping details

Dear Richard,
I was wondering if the applicants have submitted any information to confirm the nature of landscaping to be undertaken to the front of the house (shaded in grey on the plans) and confirmed that the existing access will be used ? We just need to be sure of the impact upon archaeological remains here.
If it is not information you have to hand, I shall approach them directly to confirm any groundworks.
Many thanks
Lucy Griffin
