Stance: No objection.

Dear Chris,

I am writing in respect of ecological matters for the above application advice request regarding the proposed change of use of existing barn to C3 dwelling with associated private amenity space and parking.

Thank you for reconsulting me following the submission of additional information in relation to the above planning application. The recently amended plans and structural report do not alter my original stance and therefore I have no holding objections. My comment regarding breeding birds remains applicable.

Yours sincerely,

Dean LeFeuvre BSc (Hons) MCIEEM
