**Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:**

Given the scale of development and due to the volume and complexity of technical evidence submitted the Local Highway Authority (LHA) would advise the Local Planning Authority (LPA) that whilst the analysis has commenced formal observations are still forthcoming. As a result, the LHA would request that the LPA do not determine the application before the LHA has had the opportunity to establish whether the residual cumulative impact of development can be mitigated in accordance with paragraph 116 of the NPPF (2024). The LHA will be able to provide a further response by 8<sup>th</sup> August 2025.
