Dear Planning

I have received the attached and need to make comments and send over to you, but I am unclear around the number of dwellings this development plans to build. I have checked the H&B planning portal and I cant find the dwelling info I need in order to make CCG comments.

Can you tell me what the proposed number of dwellings are for this development and I can then submit a response.

Please do not hesitate to contact me and I will endeavour to help

Sara
