Good morning Ben,

I hope you're well and having a good week.

Thank you for sending over the revised comments for 24/00969/FUL. I am just confirming that yourselves are satisfied with no conditions for the proposal – such as a compliance condition for the parking and turning to remain in perpetuity? The reason for the query is just due to the change in response from the original comments, it's really just so we have a full understanding of the reason for this.

Thank you in advance,

Kind regards,

Joe Fleetwood
