Dear Mr Hicks,

Erection of dwelling, 3B Southfield Road, Hinckley
08/00610/FUL

I write to confirm that I wish the above application to be withdrawn in order that further negotiations can be made to improve the design features to fit in with the existing street scene. I understand that the principal of development is acceptable but the local authority requires some amendments to the elevational treatment.

A meeting has been arranged for 9.30am on 15 October to discuss the details further.
