Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority (LHA) have reviewed the submitted documents including the following:

- Application form; and
- Proposed elevations and floor plans, drawing number PL101 Rev A.

It appears this application seeks an internal layout amendment to plot A only, with no highway implications proposed. As such, there would appear to be no material impact on the public highway and therefore the LHA has no comments to make in these site specific circumstances.
