Dear Mr Heaven

The Haven - discharge of Condition 6

I refer to your letter dated 1 October 2009.

I have considered the drawing enclosed with your letter and as discussed with the applicant previously, I would prefer fencing type B to be provided to the front of the site. The reason for this is the countryside location and this open type of fencing will allow a view through to the paddock area. Please provide an amended plan in due course.

I do understand the applicants requirement to secure the site but consider that a better scheme to the front of the site can be achieved.

If you require any further information, please contact Louise Forman on the above telephone number.

Yours sincerely

On behalf of Tracy Darke
Development Services and Policy Manager
