Categories: Rudi

Hi David,

24/00601/FUL | Proposed Erection of five new dwellings to the rear of Grove House, Grove Road, Burbage, Leicestershire | Grove House Grove Road Burbage Hinckley

Thank you for your consultation on the above planning application.

In response to the previous application for the site (19/00743/FUL) both a historic building survey and trial trenching report were submitted, following which we advise that both were satisfactory.

The outstanding issue in both instances was the post-investigation programme (publication, archiving etc.), as outlined within the approved Written Schemes of Investigation (WSIs). As such we advised in response to 23/00205/CONDIT that conditions be attached to ensure that these requirements were fulfilled.

We have contacted the archaeological contractor who undertook this work to query the status of the post-investigation works. If these have been satisfactorily addressed we will be happy to advise that no archaeological conditions would be required for the current application.

I will keep you updated once we have received confirmation on the post-investigation status. Please do feel free to get in touch if you have any further queries in the meantime.

Kind Regards,

William
