Afternoon Robert,

The property is sustantially complete, is currently for sale, and I can confirm that it is proposed to implement the planting scheme in the first available planting season. Late winter/spring of next year, - during March/April 2012, subject to suitable planting conditions.

Kind regards

David

Dear David

The payment for the application to discharge conditions of the above planning permission has been received and your application is now valid as of 17.11.2011.

Please could you provide an implementation programme for the landscape scheme. The programme does not necessarily need to be date specific but should indicate at what stage of the development the landscape scheme will be carried out, for example *the first planting season following completion.*

Kind Regards

Rob Morgan BSc(Hons) MASP
