Comments Details

Comments:	With regard to noise please could the applicant provide details of the dryer mentioned in the planning statement including noise data (this should be available for the manufacturer and may be in the specification documents that can usually be found online) can the applicant also provide details of the soundproofing mentioned in the same document- the supplier should be able to provide details of what mitigation is provided by the structure. The application form mentions air conditioning- does the proposed system have an outdoor unit? if so please provide details including noise data (normally found on the spec sheet).
