This diagram illustrates a detailed floor plan of a building, likely a residence, featuring multiple rooms and architectural details. The plan includes:

- Rooms:** A large rectangular room on the left, a central rectangular room, and several smaller rooms and niches.
- Doors:** Multiple doors are indicated by thin lines connecting rooms, with some doors having specific symbols like arrows or crosses.
- Windows:** Small square symbols representing windows are scattered throughout the plan.
- Furniture:** Several rectangular boxes of varying sizes represent furniture pieces, such as beds, desks, and chairs.
- Vertical Lines:** Two prominent vertical lines on the left side likely represent exterior walls or support columns.
- Blue Circle:** A single blue circle is located in the upper central area of the plan.
