

TESTED TO
EN 1176

ROSPA bow top railings and gates are designed to give you peace of mind in terms of finger traps, head and neck traps, dog control, minimising clothes entanglement and are safe from sharp edges.

SPECIFICATION:

- Single leaf gates open outwards only
- Self-closing left hand single leaf gates
- Rounded safety top panels
- Concrete-in gate posts

- Single gates are supplied with Locinox® Tiger hinge
- Galvanised or PPC black RAL 9005
- Tamper proof fixings
- Double leaf gates supplied with drop bars
