Description of Existing Use, Building Works or Activity

Please fully describe each existing use, building works or activity for which you want the lawful development certificate. Where appropriate, show to which part of the land each use, building works or activity relates

Certificate of Lawful Existing Development to demonstrate the two plots subject to planning application 22/00061/P3CQ, Plot 1 Great Meadow Barn and Plot 2 Sutton View, Dadlington Lane, Stapleton,LE9 8JL, are substantially completed and benefit from Full Plans Completion Certificates via reference 23/5036/DOMFP and 23/5036/DOMFP as C3 dwellings, providing a planning history of “operational development” in accordance with the legal definition of ‘development’ provided in section 55(1) of the Town and Country Planning Act 1990 (as amended) (the Act) and are therefore afforded statutory protection as such, under the related provisions of the 1990 Act.

- ☐ The use, building works or activity began more than 10 years before the date of this application.

If the certificate is sought on 'Other' grounds please give details

The purpose of this application is to demonstrate on the balance of probabilities that under Section 191 of the Town & Country Planning Act 1990 (as amended by the Planning and Compensation Act 1991) the associated planning history with the validation of application 22/00061/P3CQ by Hinckley & Bosworth Borough Council provides a planning history of “operational development” in accordance with the legal definition of ‘development’ provided in section 55(1) of the Town and Country Planning Act 1990 (as amended) (the Act) and the development is therefore afforded statutory protection as such, under the related provisions of the 1990 Act.

Reference to the LPA planning history of the site provides an undisputed base timeline via the validation of application 22/00061/P3CQ and the letter from Chris Brown dated 24th May 2022. A Certificate of Lawful Development (CLD) following deemed Class Q consent is a legal document confirming that the conversion of the agricultural building into two dwellings is lawful and is usually obtained when the Local Planning Authority (LPA) failed to decide on a "Prior Approval" application within the 56-day statutory timeframe, as in this particular instance.

Is the certificate being sought for a use, operation, or activity in breach of a condition or limitation?

- ☐ Yes
- ☒ No

Please state why a Lawful Development Certificate should be granted

While deemed consent is a form of approval, an LDC provides legal certainty and there is no suggestion the applicant(s) have taken any positive steps to disguise the subject operational C3 development of two dwellings, or any other measures that would warrant forfeiting the statutory protection afforded by the 1990 Act, and as such a Certificate of Lawfulness can be issued on this basis.

Information in support of a Lawful Development Certificate

When was the use or activity begun, or the building works substantially completed (date must be pre-application submission)?

03-03-2025

- ☐ Yes
- ☒ No

- ☐ Yes
☒ No

Residential Information

Does the application for a certificate relate to a residential use where the number of residential units has changed?

- ☐ Yes
☒ No

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

- ☐ Yes
☒ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

- ☒ The agent
☐ The applicant
☐ Other person

- ☐ Yes
☒ No

Please state the applicant's interest in the land

- ☒ Owner

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No
