Notes :

This plan should only be used for its original purpose.
SV Surveying Ltd accepts no responsibility for this plan
if supplied to any other party other than the original
client.

All dimensions / levels should be checked on site prior
to design and construction.

Drainage information (where applicable) has been
visually inspected from the surface and should be
treated as approximate only.

Tree information (where applicable) has been
surveyed from ground level and therefore should be
treated as approximate only.

Contours are drawn at 0.2m intervals

The survey has been fixed to an arbitrary grid.
