Subject: Re: Request for Additional Information - 24/01046/HOU & 24/01047/LBC - The Dower House, 39 Main Street, Market Bosworth

Good morning Ashleigh,

Apologies for the delayed response, your message went into our spam folder!

1. The external walls will be created from reclaimed bricks to match the existing structure.
2. The proposed windows will be made from timber and will be the same colour as the windows on the main house.
3. The 'garage' will be intended for garden storage and potentially a potting shed.

We are happy to agree to an extension of time.

Please let me know if you have any other queries or require any further information.

Kind regards,

Suzi

To: hello@greyresearchitects.com <hello@greyresearchitects.com>

Good afternoon,

I write with regard to planning applications 24/01046/HOU & 24/01047/LBC at The Dower House, 39 Main Street, Market Bosworth.

Having completed an initial assessment of the proposal and undertaken a site inspection, I advise that further clarification is required in order to continue assessment. The information required is detailed below:
