I note from my instruction sheet that bat and bird boxes are to be located within the development and would suggest that this be incorporated as a condition attached to the planning permission, rather than as part of the Section 106 Agreement.

Please find enclosed a copy of our standard client care letter which we are obliged by the Law Society to send you.

I look forward to hearing from you in due course and trust that should you have any queries or concerns you will not hesitate to contact me.

Yours sincerely
