Comments Details

Comments:	I have viewed the plans to consider the implications for the recycling and refuse collections.
	Please note, the collection point for domestic refuse and recycling waste is from the adopted highway boundary.
	We cannot travel along or collect from private roads/driveways using our RCV, therefore it would be advisable to include an area next to the highway for safe placement of the various containers on collection day, up to two bins per property.
	No development shall take place until a scheme makes adequate provision for waste and recycling storage of containers and collection across the site which has been submitted to and approved in writing to the Local Planning authority. The details should address accessibility to storage facilities and confirm adequate space is provided at the adopted highway boundary to store and service wheeled containers.

Kind regards
