Hi Paul,

I hope you are well.

Regarding the above application, the current description is:

'Application to vary condition 2 of planning permission 24/00253/FUL. Amendments to windows and doors, changes to roof tiles and addition of rooflights'.

Application 24/00585/DISCON for 'Application to discharge condition 3 (materials) from planning application 24/00253/FUL' was discharged and as the above description mentions 'roof tiles' you need to add Condition 3 to this S73 application.

If agreed would a new description of 'Application to vary condition 2 & 3 (materials) of planning permission 24/00253/FUL. Amendments to windows and doors, changes to roof tiles and addition of rooflights' be ok?

With thanks,

David Spring
