

DOUBLE DOOR FLOOD BARRIER – NAUTILUS 400

£650.00 – £658.33

The Nautilus 400 flood barrier systems are watertight aluminium flood barriers which can be quickly and safely deployed before a flood.

0.4M HIGH X 2M WIDE

Rigorously tested to comply with BSI Standard PAS1188

Please note, different heights and lengths are available. Please contact us to discuss your requirements.

The flood barriers are available in either 'Reveal Fix' or 'Face Fix', depending on the aperture and location.

'Reveal Fix' means the rails are fixed in between the reveals (brickwork) of the doorway

'Face Fix' means the rails are fixed onto the outer face of the brickwork

Fix

£650.00 Price incl. VAT: £780.00
