Comments:

I have viewed the plans to consider the implications for the recycling & refuse collections.

RCP 1 & 2, can these be repositioned nearer to the highway boundary, we do not walk along shared driveways

RCP 3 4 5 6 7 & 8 these are in a suitable location, and meets the councils requirements.

RCP 9 & 10 again can these be repositioned nearer to the highway boundary.

Thank you

No development shall take place until a scheme that makes provision for waste and recycling storage and collection across the site has been submitted to and approved in writing to the Local Planning authority. The details should address accessibility to storage facilities and adequate collection point space at the adopted highway boundary.

Kind regards
