Stance: No Objections.

Dear Sullivan,

I am writing in respect of ecological matters for the above application advice request regarding the proposed construction of barn for agricultural use.

I have accessed the following planning application documents using Hinkley & Bosworth's online planning portal;

- **Planning Statement, Proposed Elevations and Site Plans 001, and Existing Floor Plan and Proposed Site Plan 002.**

The proposals for a simple build agricultural structure within what appears to be an area of hard standing/rubble area according to google maps and street view. Therefore, I have no holding objections to the proposals and do not require an accompanying ecological assessment on this occasion.

Yours sincerely,

Dean LeFeuvre BSc (Hons) MCIEEM
