### Comments Details

Dear Faizal,

25/01013/FUL | Erection of 28 dwellings (Phase 2 of 21/00096/OUT) | Land North Barton Road Barlestorne

Thank you for your consultation on the above planning application.

Comments:	I can confirm that the archaeological evaluation undertaken in support of the previous planning application for the site (21/00096/OUT) provides a sufficient assessment of the application area and reveals no significant archaeological remains. As such we do not believe the proposal will result in a significant direct or indirect impact upon the archaeological interest or setting of any known or potential heritage assets. We therefore advise that the application warrants no further archaeological action (NPPF Section 16, para. 207-208).

Please do feel free to get in touch if you have any further queries.

Yours sincerely,

William
