Reasons for comment:	
Comments:	The village has no infrastructure for further housing development. There are no GPs, schools or even a bus service into the village. Also there is no safe vehicular access onto Barwell Road from this field. The village already has a huge traffic problem up and down Main Street and Bosworth Road, without adding to the problem. We consider this to be just the thin end of the wedge which will eventually lead to more properties, more issues with traffic etc. The traffic noise, speeding vehicles and air pollution is already at an all time high.

Kind regards
