Thank you for consulting us, as required by Article 13(1)(d) of the Town & Country Planning (Control of Advertisements) (England) Regulations 2007 (as amended).

We are the charity who look after and bring to life 2000 miles of canals & rivers. Our waterways contribute to the health and wellbeing of local communities and economies, creating attractive and connected places to live, work, volunteer and spend leisure time. These historic, natural and cultural assets form part of the strategic and local green-blue infrastructure network, linking urban and rural communities as well as habitats. By caring for our waterways and promoting their use we believe we can improve the wellbeing of our nation. The Trust is a statutory consultee in the Development Management process.

The Trust has reviewed the application and has **no comment** to make on the proposals.

Please do not hesitate to contact me with any queries you may have.

Yours sincerely,
