

**Substantive response of the Local Highway
Authority to a planning consultation received
under The Development Management Order.**

Response provided under the delegated authority of the Director of Environment & Transport.

APPLICATION DETAILS:

Planning Application Number: 23/00578/HOU

Highway Reference Number: 2023/0578/04/H/FSA

Application Address: 158 Leicester Road Groby Leicester Leicestershire LE6 0DP

Description of Application:

Proposed Dropped Kerb

GENERAL DETAILS

Planning Case Officer: Sophie Iliffe

Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority refers the Local Planning Authority to current standing advice provided by the Local Highway Authority dated September 2011.

The Applicant would need to apply to the LHA for a Vehicle Access (dropped kerb) permit before undertaking any works. Further details of the requirements can be found at <https://www.leicestershire.gov.uk/roads-and-travel/cars-and-parking/vehicle-access-dropped-kerbs>.

The LHA note the presence of a service chamber in the footway at the location of the proposed dropped kerbs. These typically are not designed for vehicles to drive over on a regular basis. Any strengthening works or relocation which may be required to this as a result of the proposals would be at the full expense of the Applicant.

The Applicant should note that the approval of planning permission does not guarantee permission for the required permit.

Planning Permission does not give you approval to work on the public highway. Therefore, prior to carrying out any works on the public highway you must ensure all necessary licences/permits/agreements are in place. For further information, please telephone 0116 305 0001. It is an offence under Section 148 and Section 151 of the Highways Act 1980 to deposit mud on the public highway and therefore you should take every effort to prevent this occurring.
