Subject: WM_3WWX_35796724 24/0111/EAS

Good morning

As Cadent we have been consulted on the Environmental impact assessment for enquiry **24/0111/EAS**

Cadent own and operate a High Pressure gas pipeline that runs through the proposed development , I see the High Pressure gas pipeline is not mentioned on the masterplan which is a concern

By default Cadent would object to the planning application until we are satisfied with the design of the development in relation to the Cadent gas assets

Kind regards

Steven Biddle
