Part II - Particulars of decision

I write further to your recent application under Class Q of Part 3 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 for prior approval with respect to the above proposal.

It is hereby confirmed that the Council's **prior approval is refused**.

1. It is considered that the proposed works required to the building would go beyond what is reasonable and necessary to facilitate the conversion as a use for Class C3 purposes. The operational development would be tantamount to the construction of a new dwelling rather than a conversion of an existing building.

Therefore the proposal does not constitute development permitted under the provisions of Class Q of Part 3 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

The proposed change of use cannot therefore take place under Schedule 2, Part 3, Class Q of the Town and Country Planning (General Permitted Development) (England) Order 2015 and the application for prior notification is refused.
