Substantive Response provided in accordance with article 22(5) of The Town and Country Planning (Development Management Procedure) (England) Order 2015:

The Local Highway Authority refers the Local Planning Authority to current standing advice provided by the Local Highway Authority dated September 2011.

The Applicant would need to apply to the LHA for a Vehicle Access (dropped kerb) permit before undertaking any works. Further details of the requirements can be found at <https://www.leicestershire.gov.uk/roads-and-travel/cars-and-parking/vehicle-access-dropped-kerbs>.

The Applicant should note that the approval of planning permission does not guarantee permission for the required permit.

Planning Permission does not give you approval to work on the public highway. Therefore, prior to carrying out any works on the public highway you must ensure all necessary licences/permits/agreements are in place. For further information, please telephone 0116 305 0001. It is an offence under Section 148 and Section 151 of the Highways Act 1980 to deposit mud on the public highway and therefore you should take every effort to prevent this occurring.

Any existing street furniture which requires relocation will need to be undertaken at the cost of the applicant.

Any works to highway trees will require separate consent from Leicestershire County Council as Local Highway Authority (telephone 0116 305 0001). Where trees are proposed to be removed, appropriate replacements will be sought at the cost of the applicant.
