Notes for Hinckley and Bosworth Council

7th May 2008-

I confirm that I purchased 31 The Fairway Burbage LE10 2TY on 12th March 2008.

I am led to believe that the exsisting Conservatory was erected approximately 8 years ago

It is 3.09 metres wide and 4.9 metres long

We have tried to obtain the original drawings and specifications for the exsisting conservatory from the previous owners of this property Mr and Mrs D Smith but they could not help us .

They now reside at 9 Hyacinth Way Burbage
