Part I - Particulars of Application

Date of Application

3 July 2023

Application No.

23/00652/REM

Particulars and location of development :

Approval of Reserved Matters (Appearance and Landscaping) for Outline Application 21/00336/OUT for the erection of one dwelling (Outline - access, scale and layout)

1 George Fox Lane Fenny Drayton Nuneaton Leicestershire CV13 6BE

Part II - Particulars of decision

In dealing with the application, through ongoing negotiation the local planning authority have worked with the applicant in a positive and proactive manner by offering a pre-application advice service and by seeking solutions to problems arising in relation to dealing with the planning application and this has resulted in the approval of the application. The Local Planning Authority has therefore acted pro-actively to secure a sustainable form of development in line with the requirements of the National Planning Policy Framework (paragraph 38) and in accordance with the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).

The Hinckley and Bosworth Borough Council grants approval in respect of the details referred to in Part I hereof for the purpose of the conditions imposed on the grant of outline planning permission and subject to the following condition(s) :-

1. The development hereby permitted shall not be carried out otherwise than in complete accordance with the submitted application details, as follows:

Design and Access Statement
Proposed Ground Floor and Landscaping Plan Drg No. 2032-SK-002
Proposed First Floor and Roof Plan Drg No. 2032-SK-003
Proposed Elevations Drg No. 2032-SK-004A
Material Specification
Site Location Plan

Reason: To ensure a satisfactory form of development in accordance with Policies DM1 and DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016).

2. The development hereby permitted shall not be occupied until such time as the off-street parking facilities have been implemented in accordance with the approved Proposed Ground Floor and Landscaping Plan Drg No. 2032-SK-002A received by the local planning authority, and surfaced in the hard bound permeable materials as specified. Thereafter the on-site parking provision shall be permanently so maintained at all times thereafter.

IMPORTANT – PLEASE READ THE NOTES AT THE END OF THIS DOCUMENT

Reason: To ensure that adequate off-street parking provision is made to reduce the possibility of the proposed development leading to on-street parking problems locally and to prevent deleterious materials (loose stones etc.) from being deposited in the highway in the interests of highway safety and in accordance with Policies DM17 and DM18 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016) and Paragraph 110 of the National Planning Policy Framework (2021).

3. The approved hard landscaping scheme shall be carried out in accordance with the details submitted on the approved Proposed Ground Floor and Landscaping Plan Drg No. 2032-SK-002A received by the local planning authority, prior to the first occupation of the dwelling hereby permitted and permanently so maintained at all times thereafter. The soft landscaping scheme shall be implemented in accordance with the details submitted on the approved Proposed Ground Floor and Landscaping Plan Drg No. 2032-SK-002A received by the local planning authority, within the first planting season following first occupation of the dwelling and shall be maintained as approved for a period of a minimum of five years from the date of planting. During this period, any plants or shrubs which die or are damaged, removed, or seriously diseased shall be replaced by plants or shrubs of a similar size and species to those originally planted.

Reason: To enhance the appearance of the development and to ensure that the work is carried out within a reasonable period and thereafter maintained in accordance with Policy DM10 of the adopted Site Allocations and Development Management Policies Development Plan Document (2016).

NOTES TO APPLICANT :-

1. The approved development may require Building Regulations Approval, for further information please contact the Building Control team via e-mail at buildingcontrol@hinckley-bosworth.gov.uk or call 01455 238141.
2. The suitability of the ground strata for soakaway drainage should be ascertained by means of the test described in BRE Digest 365, and the results approved by the Building Control Surveyor before development is commenced. The soakaway must be constructed either as a brick or concrete-lined perforated chamber with access for maintenance, or alternatively assembled from modular surface water storage/soakaway cell systems, incorporating silt traps. Design and construction of all types of soakaway will be subject to the approval of the Building Control Surveyor.
3. Any proposed access drives, parking and turning areas, paths and patios should be constructed in a permeable paving system, with or without attenuation storage, depending on ground strata permeability. On low-permeability sites surface water dispersal may be augmented by piped land drains, installed in the foundations of the paving, discharging to an approved outlet (See Environment Agency guidance on the permeable surfacing of front gardens).
4. All waste collection services are from the boundary to the public highway. Please ensure adequate space on properties to store the various containers and also space at the kerbside (where the properties meet the public highway) for the placement of the containers on the collection day.

NOTES

1. It will be most helpful if the application number shown overleaf is quoted in all correspondence.
2. If you consider that this decision has been made invalidly through the Council failing to follow a procedure correctly, not having the legal power to make the decision in the way it did or through its decision being so unreasonable as no reasonable local authority would make the same decision based on the same facts, then you may enter a claim for judicial review to quash the decision. In order to proceed with a claim for judicial review an initial application for permission will need to be made to the Administrative Court, this application is required to be made "promptly and in any event within three months of the decision". The initial permission application will decide if you have an arguable case, whether you are sufficiently materially affected by the decision to bring the claim. If you are granted permission to bring the claim it will proceed to a full hearing at the Administrative Court. Although there is no requirement for you to do so it is highly recommended that you seek independent legal advice before bringing forward a claim for Judicial Review
3. If you are aggrieved by the decision of the Local Planning Authority to grant permission subject to conditions he may appeal to the Secretary of State for the Environment in accordance with Section 78 of the Town and Country Planning Act 1990 within **six month (see para 2a below)** of the date of this notice. (Appeals must be made on a form which is available from the Planning Inspectorate, Temple Quay House, 2 The Square, Temple Quay, Bristol, BS1 6PN, tel. 0303 444 5000 or online at <https://www.gov.uk/planning-inspectorate>). The Secretary of State has power to allow a longer period for the giving of a notice of appeal but he will not normally be prepared to exercise this power unless there are special circumstances which excuse the delay in giving notice of appeal. The Secretary of State is not required to entertain an appeal if it appears to him that the permission for the proposed development could not have been granted by the Local Planning Authority, or could not have been so granted otherwise than subject to the conditions imposed by them, having regard to the statutory requirements as set out in Section 78 of the Town and Country Planning Act 1990, to the provisions of the development order, and to the directions given under the order. He does not in practice refuse to entertain appeals solely because the decision by the Local Planning Authority was based on a direction given by him. Appeals- new time rules. Appeals relating to applications made to the Local Planning Authority on, or after, 5th September 2003 must be made within **six months** of the date of this notice.
4. If permission to develop land is granted subject to conditions, whether by the Local Planning Authority or by the Secretary of State for the Environment and the owner claims that the land has become incapable of reasonably beneficial use in its existing state and cannot be rendered capable of reasonably beneficial use by the carrying out of any development which has been or would be permitted, he may serve on the Council a purchase notice requiring that Council to purchase his interest in the land in accordance with the provisions of Part VI of the Town and Country Planning Act 1990.
5. In certain circumstances a claim may be made against the Local Planning Authority for compensation, where permission is refused or granted subject to conditions by the Secretary of State on appeal or on a reference of the application to him. The circumstances in which such compensation is payable are set out in Section 114 of the Town and Country Planning Act 1990.
6. This permission only covers consent under the Town and Country Planning Acts and does not give permission to demolish a Listed Building, for which separate consent is required. Amongst other things the consent of the Council of the district in which the land is situated may be required under the Buildings Regulations and if the proposals affect land within the limits of the highway (that is between the highway fences and hedges) the separate consent of the Highway Authority may also be required. Steps to obtain the necessary further consents should be taken before proceeding with the development.

SHOPS, OFFICES, FACTORIES, EDUCATIONAL BUILDINGS & BUILDINGS TO WHICH THE PUBLIC ARE TO BE ADMITTED : ACCESS AND PROVISION FOR THE DISABLED PERSONS

- 1 The Local Planning Authority is required to bring to your attention the requirements of the Disabled Persons 1981, Building Regulations 1991 "Access and facilities for Disabled People" document M and the Chronically Sick & Disabled Act 1970 (as amended 1976) (Sections 4.7.8 and 8A) requiring the provision of access facilities, car parking and toilets for the disabled and the provision of signing indicating what provision has been made for disabled persons within the building. Your attention is also drawn to the Code of Practice BS 5619 "Design of Housing for the convenience of Disabled People", 1978 and Code of Practice, BS 5810 : 1979, "Access for the Disabled to buildings" available from the British Standards Institution, 2 Park Street, London W1A 2BS. (Tel 071-629-9000) and (in so far as educational buildings are concerned), to Design Note 18 "Access for the Physically Disabled to Educational Buildings".
- 2 The buildings to which these requirements apply are :-
 - a) Buildings to which the public are to be admitted to which Section 4 of the Chronically Sick & Disabled Act 1970 (as amended 1976) applies.
 - b) Offices, Shops & Railway Premises as defined in the Offices, Shops & Railway Premises Act 1963 or premises deemed to fall within the Act.
 - c) Factories as defined by Section 175 of the Factories Act 1961.

Start Notice

Important Information – Please keep this with your decision notice

Please read the above decision notice carefully and ensure that you understand and comply with the requirements of any planning conditions imposed.

If you require any further information about why a particular planning condition has been imposed or in respect of what information is needed to discharge your condition please contact the case officer who will be happy to advise of the requirements and information required.

We carry out a programme of site monitoring to check compliance with conditions in order to proactively manage the development and to ensure development is carried out in accordance with the planning permission granted.

Please ensure that any application for the discharge of pre-commencement conditions are carried out in a timely manner as this may take up to 8 weeks depending on the requirements of the condition. Please also be aware there is a charge to discharge conditions per request which means you can discharge conditions individually or group details together as a single request to discharge multiple planning conditions. The fee for discharging these pre-commence conditions, can be found on the [planning portal](#).

We would be grateful if you could email the development address and application reference number with your contact details and the intended start date by email to planning@hinckley-bosworth.gov.uk or complete the form on the reverse.
