Hi Ashleigh

Thank you for sharing the consultee comments in respect of the above

I have pleasure in attaching the further information in respect of the BEMS and lighting

In respect of cycle storage, and notwithstanding the LHA's pre-planning observations to HBBC, the applicant provided a link to the product on the site layout (rev a) which clearly accommodates 6no. bicycles on 3no. covered racks

I look forward to your further advice
Kind regards
George
